

First-Year Membership Dues

TMA & Component Medical Society (CMS)

TMA membership includes an investment in both your state and local medical society, which offer various professional and personal services, programs and activities to maximize your involvement in organized medicine. Below is a list of current chapters and corresponding pricing for first-time TMA members. **Note: this 50% off pricing structure is valid through your first two years of membership. Your third year of membership is applied at a 25% off discount.**
