

# 2025 Membership Dues

## TMA & Component Medical Society (CMS)

TMA membership includes an investment in both your state and local medical society, which offer various professional and personal services, programs and activities to maximize your involvement in organized medicine. Below is a list of current chapters and corresponding pricing for physicians in active practice. **Discounted rates are available for certain classes of physicians.** Students, residents and retired physicians receive complimentary membership to both TMA and their CMS.
