TOTAL FUNDS RAISED

\$192,772

In the 2022-2023 FY, TMA PAC received **\$91,268** in donations from students, residents, spouses, administrators, executives, and physicians representing 31 different specialties. The average contribution to TMA PAC was \$485.15— up \$35.45 from last fiscal year. The largest contribution from a single donor was \$2,050.

Corporate donors were also very generous this cycle, contributing a total of **\$83,900**. TMA PAC received donations ranging from \$350 to \$50,000 from six different medical businesses.

Finally, TMA PAC received **\$17,603** from corporate and specialty society PACs, with the largest donation coming in just shy of \$10,000.

*In January 2023, the TMA PAC Committee voted to change the PAC fiscal year of 10/1-9/30 to a calendar year beginning in 2024. Thus, the 2022-2023 FY absorbed an additional three-month period.

FUNDS RAISED BY MEMBER LEVEL

- Capitol Hill Club (CHC) level members donated a total of \$70,334 this cycle
- Advocate (ADV) level members donated a total of \$6,124 this cycle
- Sustaining (SUS) level members donated a total of \$12,915 this cycle
- Contributor (CON) level members donated a total of \$1,895 this cycle

NUMBERS & STATISTICS

Since the 2022-2023 FY was a non-election year, the amount of money raised this cycle was expectedly lower. However, the average donation amount actually increased by nearly 8% this year, even with a slight decrease in the number of distinct donors.

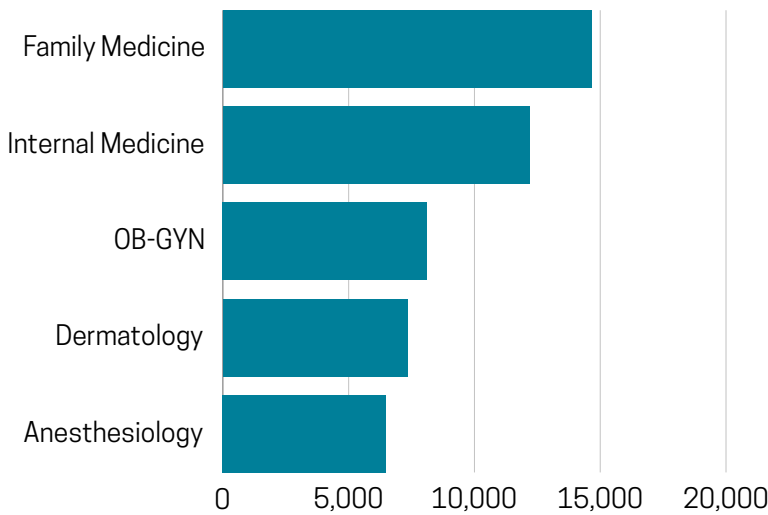

7.8% ↑

Increase in the average donation amount from last fiscal year

4.6% ↓

Decrease in the number of distinct donors from last fiscal year

TOP DONORS BY SPECIALTY

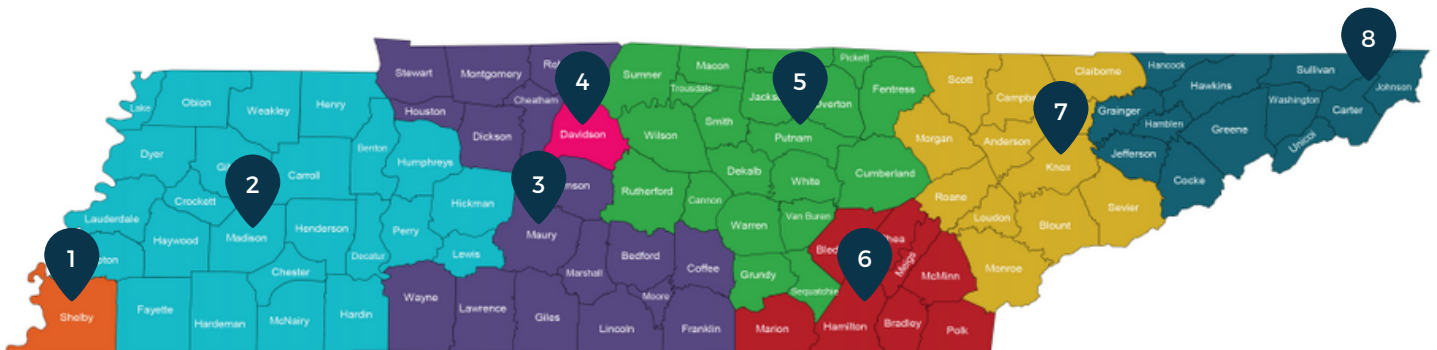

Family doctors took the lead this fiscal cycle in terms of dollar amount raised, followed closely by internists. While there were 13 OB-GYNs and dermatologists each who donated to TMA PAC, OBs donated slightly more. Anesthesiologists took fifth place this year with 10 distinct donors.

Other top donor specialties this cycle include pediatricians, general surgeons, and otolaryngologists.

DONATIONS BY TMA REGION

- Region 1 raised \$12,299 by 22 donors
- Region 2 raised \$9,566 by 15 donors
- Region 3 raised \$13,850 by 27 donors
- Region 4 raised \$14,485 by 29 donors
- Region 5 raised \$5,490 by 11 donors
- Region 6 raised \$8,830 by 24 donors
- Region 7 raised \$14,898 by 29 donors
- Region 8 raised \$11,200 by 23 donors

ACKNOWLEDGMENTS

THANK YOU TO ALL OUR DONORS

Your generosity and support helped TMA PAC achieve yet another successful fundraising year. At TMA's annual meeting in April, physicians rallied together to raise \$40,000— \$10,000 over our original goal and TMA PAC's largest single-day fundraiser to date.

Though we fell short of reaching our \$200,000 goal this fiscal cycle, member participation in TMA PAC continues to trend upward, promising future growth. With enhanced awareness and sustained teamwork among all Tennessee physicians and advocates, the voice of organized medicine is all but certain to maintain a mighty presence on Capitol Hill. For the full list of individual and corporate donors this fundraising cycle, visit tnmed.org/pac-donors.

Many thanks also go out to the TMA PAC Committee members listed below who were instrumental in ensuring that TMA remains one of the most influential advocacy organizations in the state.

2022-2023 TMA PAC COMMITTEE MEMBERS

- **Region 1** - Greg Laurence, MD
- **Region 2** - VACANT
- **Region 3** - Barbara Dentz, MD

HELP US REACH OUR GOALS IN 2024

\$215,000

FY2024 Fundraising Goal

215

Distinct Donors

40

New Donors

As we look ahead to a competitive election season in 2024, we need your help to grow TMA PAC and our political influence. With the start of our new fiscal year commencing on January 1, **you can do your part now by renewing or upgrading your donation to TMA PAC at tnmed.org/donate.**

Continuing on our growth trajectory will require increased involvement among all TMA members. Help us reach our fundraising goals by recruiting one of your colleagues to join TMA PAC, or asking your practice to make a corporate contribution. Learn more at tnmed.org/tmapac.
